

Annual Report

**NORTHWOOD SWIMMING POOL
NORTHWOOD PARK**

Town of Rutland Vermont

Year Ending December 31, 1980

This issue is dedicated to the memory of FREDERICK C. GALLIPO who served on the Board of Selectmen for approximately 16 years until his untimely death on October 4, 1980.

His dedication to his Town can never be fully realized or appreciated. Here was a person who helped his fellowman in need with generosity very few of us knew took place, due to the lack of fanfare or headlines and because Fred wanted it that way.

You could disagree with his philosophy and foresight at times, but his constant warm smile could melt an iceberg.

His contributions and hours devoted to the Town of Rutland were greatly respected, deeply appreciated and will be missed by the entire community.

SELECTMEN'S REPORT

Many statisticians might call 1980 an average year when compared with a decade or a lifetime, but to your Selectmen, the last year was anything but average.

Town highways are a costly source of concern as they constantly develop potholes and collect ice and snow during the winter. We have elected to increase considerably our retreatment program so that our roads can be resurfaced every seven years rather than on a ten-year schedule as in the past. Winter maintenance presents problems as we struggle between the cost to and safety of our people. If towns were judged on their highways, we would rate high.

Our Volunteer Fire Department is second to none in the dedication to and performance of the job of protecting our property and lives from the ravages of fires. We would urge that the Townspeople look favorably on their wish to construct an addition to the McKinley Station. The Firemen and others expect to contribute much of their time and services to its construction as is reflected in the relatively small amount being asked for in the Warning. Pride of the Town—"Our Firemen"!

Our Recreation Commission has worked diligently to develop interesting programs and complete the recreational improvements authorized by the people. Thank Congress for Federal funds.

The Town Planning Commission developed the subdivision regulations which were approved at the November general election. A Town highway ordinance is nearly ready to be presented to the Selectmen for their O.K. The coming year will find your Planning Commission working on zoning regulations.

The Town Constables have had a frustrating year trying to keep a lid on the many summer roadside parties held in our town by area young people. Our understanding and sympathy go out to those Townspeople affected by our past inability to successfully cope with the problem. Constables also attempt to settle dog problems, or is it people problems? Sometimes it's hard to tell!

Our Town Hall received a coat of paint and the parking lot two coats of sealer. We are now studying how to fix over the Town Hall downstairs as the floors are weak and the heating system noisy.

We are proud of our Landfill operation but will be studying ways to economize and better adapt it to the people's use.

Many of us have experienced voting machines for the first time. We have seen the resolution of problems such as the Mall sewer and a water line for Metro-Mail at no cost to the Town. We will be under increased pressure to resolve problems connected with a municipal sewer, such as wasteload allocation. This preliminary step is very important as its resolution will ultimately control the growth of the Town and the relative cost of a sewer system.

Some new additions to our Grand List will be, somewhat in their order of development, Onsworld, Dexter Shoe, Velco, Midas-Midway Station, Penny Hogg Motel and a new RIDC 'spec' building on the newly-constructed extension of Quality Lane (Industrial Park). We should be actively seeking out acceptable properties that could be developed into industrial/commercial areas thereby increasing our chances of obtaining orderly acceptable growth of our industrial/commercial tax base.

March 1980 saw the election of Clifford "Kip" Young to our Board. His expertise is much appreciated. In October, the Town lost a much appreciated and dedicated public servant, Selectman Fred Gallipo. We welcome Rodney Gallipo who was elected to fill his father's unexpired term.

Many thanks to all those elected and appointed officials and Townspeople who have given that little bit extra that translates into the well-run community in which we live.

Respectfully submitted,
JESSE D. BILLINGS III, Chairman
Board of Selectmen

LANDFILL NOTICE

The Town of Rutland Sanitary Landfill on Post Road Extension opened officially on Tuesday, August 15, 1978 and is one of the very few state-approved landfills. We are all quite proud of this claim. However;

No private cars or trucks will be allowed into the landfill, only local refuse haulers. Residents, commercial or industrial establishments who do not hire local refuse haulers may bring their newspapers, magazines, cardboard and garbage to the Ted Hubbard site of Cold River Road, or the Fire Station site in Center Rutland on Saturdays *only* from the hours of 9:00 A.M. to 3:00 P.M.

Also please note that newspapers, magazines and clean corrugated cardboard *must* be tied and bundled before giving to your hauler or bringing to above sites. Other paper products such as egg and butter cartons, cereal boxes, bags etc. may be mixed in with other garbage.

The Newspapers, magazines and cardboard are being sent to a recycling station and by doing this, will add considerable years to the life of our landfill. This will eventually save you many tax dollars in the future.

As you well know, we are not landfill experts and problems may arise in our daily operations. We would appreciate hearing any comments you may have regarding this new arrangement.

Thank you.

Board of Selectmen

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 2, 1981 at 7:30 P.M. to act on Articles 2 and 20.

On Tuesday, March 3, 1981 at 9:00 A.M. at the Town Hall in Center Rutland for voters living on the West side of Route #7, and at the Elementary School Gym on the Post Road for voters living on the East side of Route #7 to vote on Articles 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18 and 19.

Polls will close at 7:00 P.M. on March 3, 1981.

ARTICLES:

1. Choose all necessary officers required by law.
2. To act upon the Annual Report of the Town Officers.
3. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?
4. Shall property taxes be payable to the Town Treasurer on or before September 8, 1981 with a discount of 4% and after September 8, 1981 turned over to the Tax Collector as delinquent taxes?
5. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed ONE HUNDRED FORTY SIX THOUSAND AND NO/100 DOLLARS (\$146,000.00) for use toward the operation of the \$197,414.00 total General Fund budget?
6. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed TWO HUNDRED THIRTY SIX THOUSAND TWO HUNDRED FIFTY AND NO/100 DOLLARS (\$236,250.00) for use toward the operation of the \$277,105.00 total Highway Fund budget?
7. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed FORTY FIVE THOUSAND SEVENTY NINE AND 53/100 DOLLARS (\$45,079.53) for use toward the operation of the \$48,475.00 total Fire Fund budget?
8. Shall the voters authorize the Selectmen to raise by taxes an amount not to exceed TWENTY SEVEN THOUSAND FOUR HUNDRED NINETY SIX AND 27/100 DOLLARS (\$27,496.27) for use toward the operation of the \$41,625.00 total Recreation Fund budget?

9. Shall the voters authorize the Selectmen to spend an amount not to exceed FIFTEEN THOUSAND SEVEN HUNDRED AND NO/100 DOLLARS (\$15,700.00) for use by the Recreation Commission as the Town's matching share for the development of recreational facilities at Northwood Park including a Mitey-Mite baseball field, a Babe Ruth baseball field and parking area? The Town's share will obtain SIXTY TWO THOUSAND EIGHT HUNDRED AND NO/100 DOLLARS (\$62,800.00) in State and Federal funding.
10. Shall the Town of Rutland continue its participation in the Rutland Free Library Association, Inc., and approve an appropriation not to exceed FIFTEEN THOUSAND THREE HUNDRED SEVENTY SEVEN AND NO/100 DOLLARS (\$15,377.00) for the year 1981?
11. Shall the voters authorize the Selectmen to spend an amount not to exceed TWENTY THOUSAND AND NO/100 DOLLARS (\$20,000.00) of Revenue Sharing Funds for the construction of an additional bay to the McKinley Avenue Fire Station?
12. Shall the voters authorize the Selectmen to spend an amount not more than FIFTEEN THOUSAND AND NO/100 DOLLARS (\$15,000.00) of Revenue Sharing Funds as an additional Town share of 15% for the Urban highway project on North Grove Street?
13. Shall the voters authorize the Selectmen to spend an amount not to exceed TWELVE THOUSAND AND NO/100 DOLLARS (\$12,000.00) of Revenue Sharing Funds for the purchase of a truck for the Highway Department?
14. Shall the voters authorize the Selectmen to spend an amount not to exceed TWO THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$2,500.00) of Revenue Sharing Funds for the use of the Cemetery Commissioner's Perpetual Care account?
15. Shall the Town of Rutland provide financial support to Rutland Area Transit—"The Bus"—in an amount not to exceed FIVE THOUSAND AND NO/100 DOLLARS (\$5,000.00) for transit services to the Town of Rutland for the year 1981?
16. Shall the Town of Rutland appropriate an amount not to exceed THREE THOUSAND SIX HUNDRED AND NO/100 DOLLARS (\$3,600.00) in support of the Rutland Visiting Nurse Association?

17. Shall the Town of Rutland appropriate an amount not to exceed TWO THOUSAND THREE HUNDRED SIXTY FIVE AND NO/100 DOLLARS (\$2,365.00) in support of Rutland Mental Health Service? (This item to be Rutland Town's contribution to Rutland Mental Health in support of its services to Rutland Town families).
18. Shall the Town of Rutland appropriate an amount not to exceed EIGHT HUNDRED TWENTY THREE AND NO/100 DOLLARS (\$823.00) in support of the Alcoholism Information & Referral Center, Inc.?
19. Shall the Town of Rutland appropriate FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) toward supporting the work of the Rutland Opportunity Council in Rutland Town for the coming year?
20. To transact any other necessary, legal and proper business which may come before said meeting.

566 Licenses Sold				
				\$2,929.00

—NOTE—

A person who owns, or keeps a dog more than six months old shall annually on or before April 1 cause it to be licensed and shall pay \$4.00 for each neutered male or spayed female dog, \$6.00 for each male dog and \$8.00 for each female dog. If the license fee for any dog is not paid by April 1, fifty percent penalty is added.

Before a person shall be entitled to obtain a license for a spayed female or neutered male dog, he shall exhibit to the Clerk a certificate signed by a duly licensed veterinarian showing that the female or male has been sterilized.

Before obtaining a license for a dog six months of age or older, a person shall deliver to the Town Clerk a certificate or certified copy thereof signed by a duly licensed veterinarian, stating that the dog has within 24 months been vaccinated against rabies with a vaccine approved by the Department of Agriculture. The Town Clerk shall keep the certificates or copies thereof on file.

ANNUAL REPORT OF SCHOOL DIRECTORS AND ADMINISTRATION TO RUTLAND TOWN CITIZENS

The Rutland Central Supervisory Union, of which Rutland Town is a member, is participating in a federally funded Career Education Program involving five Supervisory Unions in the Rutland/Windsor County areas. The program, being coordinated by George Metalious, is designed to make both elementary and secondary students aware of careers available in this area.

The Special Education Division of the Vermont Department found Rutland Town's Special Education Program to be in full compliance with federal and state laws and regulations regarding education of the handicapped children with significant needs, who will enter school for the first time. Also, an agreement has been reached with the Rutland City School District for high school resource room services for Rutland Town students.

To help themselves to deal better with the special problems of educating the handicapped, teachers are taking part in Special Education courses at Proctor High School.

It should be noted that of the \$31,045 paid for Special Education Salaries, \$14,384 is returned to the town through Federal and State funds. Our share of \$16,761 covers a full time special educator, three full time special education aides, a part time speech pathologist and a part time speech aide.

The Facility and Planning Commission has been meeting regularly and is looking at two possible solutions to our space problems. They are studying both a Middle School addition to our present building or the building of a Junior-Senior high school. Their final report will be turned over to the School Board in the spring. It should be remembered that we are under a one year waiver from the State Department concerning the adequacy of Cheney Hill and having our art classes in the lower lobby. They have also commented strongly about the lack of space for band practice, speech classes and special education classes. They also felt our shop was much too small and created safety problems. The planning committee is trying to take all of these things into consideration during their study.

The School Board and the administration has always felt that one of the keys to a good education was getting a good start in the early years. Our class sizes in grades K-3 have always reflected that philosophy. We feel the high quality of education that our children receive is partially due to the fact that our class sizes average from 19 to 24.

Because of a cold winter and the age of some of our equipment, we have had many heating problems. Compressors have broken, heat pumps and electrical heating units have failed. We have been constantly working on the problem and feel we will have the heating system back in good condition soon.

We have signed a new three year bus contract with Thomas Bilt Buses of Vermont. We had two bids for the contract and Seward's was by far the lower. The basic contract this year is \$63,500. There is \$6,000 added to the budget to cover a gas clause in the contract and field trips for the year. We have been pleased with the service that Dick Smith has given in the past and are confident it will continue.

According to State Law, the School Board is allowed to give three \$80 scholarships to town students attending institutions of higher learning within the State. We urge town students attending state schools to apply by writing a letter of request to the School Board. This year, one student, Chris-jean Pike, received a scholarship.

Thanks to some extensive volunteer work this summer by Joe Fish, our skating rink play area is in full use this year. In the spring and fall we use the area as a primary playground, allowing us to use the area during the entire school year. The rink, this year, is being kept in fine condition by Bruce Truog and being enjoyed by many children. Please feel free to use it on weekends.

Once again, the School Board takes this opportunity to put into words, our thoughts of appreciation to the entire staff and administration of the Rutland Town School system. We all admit that any system and all programs are only as good as the support of the voters of the Town. Thanks for the continued support of the voters, administration and the staff of Rutland Town.

Thanks to all the Firemen, Auxiliary and Answering Service for a smooth running year for the Rutland Town Fire Department.

With the increasing number of wood stoves being installed, keep in mind that the smoke pipes should be three (3) times the diameter away from any combustible surface.

Sincerely
John E. Drinwater, Chief
Rutland Town Fire Department

RECREATION COMMISSIONER'S REPORT

The year 1980 saw the fulfillment of a dream. After years of planning, designing and finally building, the Northwood Park Swimming Pool opened for public use on June 15, 1980. This met with enthusiastic support from the townspeople and proved to be a popular spot during the summer. Over 9,000 people used the facility this year. The Swim Instruction Program was well received by young and old alike with approximately 190 people enrolled for lessons this past season.

Summer Director Russ Shappy did an excellent job of running the new pool and the other recreation programs in the Town. He was ably assisted by Mary Eccleston, Head Instructor, and seven life guards.

We experienced a highly successful season with our diving team. For our first year, Jim Anthony, our diving coach, led our team to 3 victories and 1 loss. A very impressive start and a great deal of hard work by the Rutland Town Diving Team.

Starting June 15, 1981, we will be providing transportation to and from the pool. There will be a morning trip arriving at the pool approximately 9:00 AM and leaving at 12 o'clock. The afternoon trip will arrive at the pool at 1:00 PM and leave at 4:00 PM. The cost of this service will be included in a slight increase in season passes. Family passes will go from \$30.00 to \$35.00. Individual passes will go from \$15.00 to \$17.50. For those without season passes, the cost will be 50¢ each way. We feel that the anticipated increase in season ticket sales and the rate of increase will offset the cost of The Bus. If you have any questions, contact any Commission member.

The baseball and softball programs were also very successful. We had fourteen teams involved in our Mighty Mite, Little League, Babe Ruth and girls' softball for a total of 225 young people.

Our Mighty Mite field was named the JEFFREY D. LITTLER MEMORIAL FIELD in memory of Jeff Littler, a Mighty Mite who never got a chance to play there.

The Summer Playground Program at Dewey Field and Northwood Pool under Paula Gregory and two assistants was well attended throughout the summer. We urge all Town residents to make use of the facilities.

The tennis courts, all purpose court, Tot Lot and picnic area at Northwood Park have been put out to bid and the bids awarded. The work will commence as soon as possible in the Spring. The work should be completed by June 15, 1981.

We have applied to the State of Vermont for additional monies to build a new Babe Ruth, Little League and Mighty Mite Field with parking facilities.

The State has rated us Number Four on the priority list for 1981, assuring us the money if the Town approves our share. We are asking the voters to approve a bond issue of \$15,700 as our share of \$78,500 to get this project under way.

The Recreation Commission meets the last Tuesday of each month at 7:00 P.M. at the Town Hall from April through September and at the Elementary School from October through March.

We wish to thank the Board of Selectmen and the citizens of Rutland Town for your overall support of this program, especially the coaches of Lit-

tle League, Mighty Mites, Babe Ruth and Girls Softball. Without the volunteer effort of all these people, our baseball program would have fallen short of our expectations.

We wish to thank all of you in advance for your support of our 1981 Recreation Program in Rutland Town.

Respectfully Submitted,

Richard F. O'Connor, Vice-Chairman

Norman Campbell, Secretary

David A. Stevens, Treasurer

Donald J. Chioffi

Anthony J. Flory

Paul Horton

Rutland Town Recreation Commission

David L. Seward Sr.

CHENEY HILL CEMETERY ASSOCIATION ANNUAL REPORT

The annual meeting of the Association was held with the following officers elected:

President

Sherwin Williams

Vice-President

Byron Hathaway

Secretary

George Livak

During the year 1980 Cemetery property was mowed and well cared for by the Association. Cemetery Association also has charge and care of the old cemetery in Center Rutland.

Landscaping work was completed around new vault that helped to make the building very attractive. Six new lots were sold during the year and there were three burials.

Respectfully submitted,

Sherwin L. Williams

Byron Hathaway

George Livak

Cemetery Commissioners

RUTLAND REGIONAL COMMISSION REPORT FOR 1980

Our name has changed! While eliminating the word "planning" from our title may not seem dramatic, it is an indication of change. In some ways it is a reflection of changes which have already occurred; in others it is one more step to implement further adjustment which is necessary in light of today's conditions in the region and the nation.

We will continue to put more emphasis on municipal service and look for ways to better serve all towns in the region, large and small.

Two topics of particular interest and importance which we are presently involved in are:

Technical Services—With town budgets getting tighter, technical services in areas such as finance, capital improvement programming and energy conservation become more important. We are continuing to expand our ability to deliver these kinds of services. Our recently acquired computer capability will help us deliver these services on request.

Waste load allocation—This process, which affects sewage treatment capacity for several communities along the Otter Creek, is vitally important. Our Chairman, John Ballou from Chittenden, has particularly strong feelings on this issue. Until a revised waste-load allocation plan for the Otter Creek is completed and adopted by the State of Vermont, construction and/or upgrading of any affected sewage treatment plants will not take place.

In addition to the above, we have and will continue to work in the following areas:

Solid waste disposal—We have been closely involved with the Rutland County Solid Waste District (RCSWD). We provide staff and overhead assistance to the District and are helping them to work toward short and long term solutions to solid waste disposal for RCSWD member towns.

Transportation—We continue to offer support services to "the bus". In addition, this year we are developing a proposal to build a transfer facility (bus station if you will) which will allow for changing between the bus, Vermont Transit and taxicabs as well as provide adequate parking. We have also worked closely with the Chamber of Commerce Transportation Task Force headed up by former Gov. Keyser which is aimed at improving countywide transportation systems.

Airport Industrial Park—Extensive work has been done on development of an airport industrial park in Clarendon. Because it is a project being jointly developed by the Rutland Industrial Development Corporation, Clarendon and the City of Rutland, coordination with local, state and federal organizations has been necessary and extensive. Construction is expected to start in mid-1981.

Coordination with and support to several county organizations through specific programs is part of our continuing responsibility. They include the County Extension Service, Soil Conservation Service, Rutland Industrial Development Corporation (County wide), Rutland County Health Council, Rutland Region Chamber of Commerce, and several other local organizations. These efforts will continue.

We look forward to serving and working with you in the coming year. Your interest and support is appreciated.

Respectfully submitted,
John Vihinen,
Executive Director

RUTLAND TOWN PLANNING COMMISSION REPORT

The Commission has been meeting on a regular schedule this year and many interesting and informative discussions have resulted in reference to the development of regulations for sub-division. A final draft of the Sub-division Regulations was formulated and the Commission held a Public Hearing and approved the same for submission to the Selectmen for their Public Hearing. After Public Hearing, the Selectmen approved the same, and set up a ballot item for vote at the November election. At the November election, the regulations were approved by a vote of 795 Yes to 441 No.

The Sub-division Regulations are a very vital step for orderly growth. Now the Commission and the Rutland Town residents have a most important role in the development of necessary Zoning Regulations.

We will be asking for help and guidance in the future, so please give constructive advice.

Respectfully submitted,
Edward H. Hemenway,
Chairman

UVM EXTENSION SERVICE—RUTLAND COUNTY

Rutland Town Office Building
Route 4, Center Rutland
P.O. Box 489, Rutland Vt. 05701
773-3349

The UVM Extension Service is a combined effort of the University of Vermont and the US Department of Agriculture to bring educational programs to the people of Rutland County. The areas in which programs are conducted are agriculture and related areas such as home grounds, home economics, youth and resource development. A new educational program has been added—energy conservation. Energy outreach advisors are now available to conduct energy audits on homes in Rutland County providing information on energy conservation measures for homeowners.

Funding:

Funds for the UVM Extension Service come from three sources. Federal, 42.3%; State, 49.2%, and from towns, 8.5%. Town funding is based on the town Grand List as compared to the County Grand List. State statutes are the basis for town contributions.

Extension Service Advisory Board:

A board comprised of 15 people from Rutland County advises the Extension agents on programs to be carried out. Members are elected at the UVM Extension Service annual meeting held in April. The annual meeting notice is published in the Rutland Herald two weeks in advance and is open to the public. Current members of the board are:

Mrs. Harold Billings, Mrs. Howard Burgess, Byron R. Hathway, and Edward Hemenway of Rutland Town; Miss Deva Bolgioni, Mrs. Andrew Musella, Roy Rotella, and Hugh Spafford of Rutland City; Mrs. Antoine Greeno and Robert Baird of Pittsford; Lou Ann Hale, West Rutland; Clarence Haynes, Middletown Springs; Richard H. Pratt, North Clarendon; Wayne Burleson, Benson; and C. Gilbert Giddings, Brandon.

Rutland County Extension Service Staff:

County Extension Agents:

Wm. M. Corey & David P. Newton-Agriculture; Marie Bingham & Donna Durkee-Nutrition Aides; Bridget A. Howrigan-Home Economics; Carole Berger & Debra Christiana-Energy Outreach Advisors; Chesley P. Horton-Youth; Valeria Nagy-Admin. Assistant; Wm. H. Bingham-Resource Development (Rutland & Benn.); Betty A. Durkin-4-H Expansion Assistant; Sylvia B. Chapin, A. Marie Firliet & Donna Marcille-Secretaries.

Extension Service programs are available to everyone regardless of race, color, national origin, sex, or religion. For more detailed information call or write UVM Extension Service or contact a member of the Advisory Board. As a resident of Rutland County, Extension Service information is available to you.

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

ANNUAL REPORT 1980

It is my pleasure as Executive Director of the Rutland Area Visiting Nurse Association to submit the 1980 Annual Report for your town.

Our health programs continue to provide many needed services to your community. Skilled Nursing, Physical Therapy, Occupational Therapy, Speech Therapy, Homemaker-Home Health Aide, and Homemaker services are all available. The total patients and home visits made are as follows:

Unduplicated Patients	27
Skilled Nursing Visits	564
Evaluation Visits	13
Homemaker-Home Health Aide Visits	230
Physical Therapy Visits	147
Occupational Therapy Visits	9

We also have Prenatal Classes, Preventive Senior Citizen Clinics and Flu Clinics.

We continue to work closely with the Office on Aging, Hospital, Nursing Homes and all other health related organizations to give the best possible health care to your community.

An extension of our Homemaker-Home Health Aide program, is just giving Homemaker services, started in September and is progressing well. This is a new service and available to your area.

If you need help, call 775-0568 in Rutland or call the office nearest you, Brandon 247-3111 or Castleton 468-5668. If a member of your family needs health care at home, the Visiting Nurse is only a phone call away.

It has been a pleasure to serve you and we will look forward to another busy year.

Respectfully submitted,
Evelyn P. Doyle,
Executive Director

VERMONT DEPARTMENT OF HEALTH

Annual Report to the Citizens of Rutland Town

The established mission of the State Health Department is to protect and promote the health of all Vermonters. In working towards this goal, the Vermont Department of Health has provided directly, or assured the provision of, preventative health services to communities across the state. During 1980, the following services were received by the residents of Rutland Town:

544 elementary school children were examined by a dental hygienist and received personal oral hygiene instruction twice during the school year.

1 person received services through the Maternal and Child Health Program.

8 comprehensive health assessments including preventive health guidance were provided at Well Child Conferences.

25 persons received nutrition education and food supplements through the Special Supplemental Food Program for Women, Infants, and Children (WIC).

2 children underwent medical evaluation and treatment through the Early Periodic Screening, Diagnosis, and Treatment Program (EPSDT).

Through the Handicapped Children Program, diagnosis and treatment services for orthopedic, hearing, cardiac, and other conditions were provided to 11 children.

Through the Child Development Clinic, 2 children received diagnostic and intensive follow-up services for suspected developmental disorders.

23 immunizations were given in Health Department clinics.

8 persons received screening for early detection of lung disease through the Barre, Rutland, or other Health Department chest clinics.

The following services were provided by the Health Department Laboratory in Burlington:

3 blood tests to identify women needing immunization against german measles (rubella) to prevent birth defects,

7 other diagnostic blood tests,

1 bacteriological or viral culture,

848 tests of individual and municipal water systems to monitor drinking water quality.

Statewide, 259 emergency medical technicians were trained, 286 were recertified and 305 received advanced training; 195,507 doses of vaccine were supplied to private physicians, school nurses, and other health providers; 17 hospitals and 46 nursing homes were inspected and licensed; 3,804 restaurants were inspected; 3,655 venereal disease office visits and/or treatments were paid for and 1,063 contacts were traced; material to test 14,270 persons for tuberculosis was distributed to private physicians, public clinics, and schools; 105 x-ray machines were inspected; treatment for 22,000 children was approved and paid for in total or in part by the Tooth Fairy and Denticaid programs; and, in conjunction with Planned Parenthood of Vermont, Inc., 15,705 persons received contraceptive counselling and service.

Technical assistance was provided through the office of Local Health Services to your Town Health Officer, J. Barry Burke.

Your Town Clerk, Richard Del Bianco, received support and instruction in the handling of vital records from the Division of Public Health Statistics.

Although no Rutland Town residents participated, the following Health Department program is also available to your community:

The Fluoride Rinse Program

Your participation in these programs is encouraged. Information about all Health Department services may be obtained by calling our toll free number, 1-800-642-5045, or your local district office in Rutland. The local office telephone number is 773-2411.

Lloyd F. Novick, M.D.
Commissioner of
Health

ANNUAL REPORT 1980

ALCOHOL INFORMATION & REFERRAL CENTER SERVICES

Over the past three years, we have provided services to a minimum of twelve (12) residents. This represents 102 times, clients from the Town have met with counselors, although according to Vermont and National statistics, there is a potential of 245 problem drinkers among the 3316 inhabitants of the Town.

We trust the residents of Rutland Town will continue to support our Program.

Please call me if I can supply you with any additional information.

Respectfully submitted,
J. J. Lynch

SOUTHWESTERN VERMONT AREA AGENCY ON AGING AND NUTRITION PROJECT FOR THE ELDERLY Annual Report

At present, we are delivering meals on five days a week to homebound elderly persons in the Town of Rutland. A number of persons from the town attend the congregate meal sites in Rutland City. Locations are at the Rutland Senior Center, Sheldon Towers and the M.S.J. Covent. Other services besides nutritious meals include preventative health clinics, legal aid and transportation to meals, stores and medical appointments. This Agency employs a Senior Advocate worker who is available to assist the elderly in the Town of Rutland with problems pertaining to public benefit programs such as fuel assistance, medicaid, foodstamps, S.S.I., etc. The Senior Advocate provides support and reassurance to seniors needing special attention because of their frailty or unstable living conditions.

This Agency is dependent on local contributions to match, in part, the federal funds received. You can receive information about meal service and other related services by calling 775-0133.

Sincerely,
Douglas Hall
Nutrition Program Director

RUTLAND FREE LIBRARY Report for 1980

The Rutland Free Library was originally formed February 20, 1886 by the Articles of Incorporation recorded in the then Town of Rutland. The Rutland Free Library Association, Inc. is a corporation legally independent of Rutland City government. The Association functions through a Board of Trustees numbering not less than twelve, ten of whom must be Rutland City residents. The remainder of the Trustees over twelve may be appointees of the Selectmen of towns contributing to the Library Association.

This year, the Library is asking the Town to appropriate \$15,377 which represents a \$1.37/capita increase over the 1980 appropriation, bringing the 1981 request to \$4.64/capita.

During the last fiscal year, the Library served a regional population of around 30,000. The Library was open 337 days for 70 hours per week. At the end of the year there were 74,708 volumes on hand. (That volume total now numbers more than 77,000). Currently there are 1,066 Rutland Town resident card holders.

It is the objective of the RFLA, Inc. to provide services, books, programs, as well as audio and visual materials geared to the broad and varied informational, cultural, recreational, educational, and research purposes of all the people of all ages in the Rutland Region Community.

THE BUS COMPANY, INC. ANNUAL REPORT

During the past year The Bus Company, Inc. has continued to provide effective public transportation services to a large number of Rutland Region residents. At the same time, The Bus Company, Inc. took action to become more responsive to the people in the communities that are being served.

With the support of the Boards of Selectmen of Rutland Town, West Rutland, and Proctor and the Rutland City Board of Alderman, a private non-profit organization was created to take over the policy making functions for the regional bus system for the Downtown Development Corporation and Rutland Area Transit. In creating the new non-profit organization communities, which have been contributing local dollars toward the system's operation, have been given a direct voice in the way in which the system operates. This new organization—which is called The Bus Company, Inc.—is run by a board of Commissioners. The legislative body (Selectmen or Alderman) of each community that contributes funds to the system appoints a representative to the Board of Commissioners; each Commissioner has one vote. The board has met frequently to set policy for, and oversee the operations of, the bus system.

The Board of Commissioners has also become involved in the design of a new terminal for "the bus." This terminal, scheduled to be constructed in the lower deck of the Rutland City Parking Deck, by late 1982, will also provide space to be leased by Vermont Transit. The new terminal will better coordinate the trips made by regional residents on both bus systems and give "the bus" and Vermont Transit much better passenger facilities than they now have.

Ridership on "the bus" has increased from 147,199 passengers in 1979 to 170,929 passengers in 1980 an increase of over 16%; revenues from fares and contracts have also increased by 41% from \$96,516.00 to \$136,273. This means that the rapidly increasing costs are being met, in large part, by sources other than the funds from the local communities. And the operating ratio—the proportion of total costs met by funds from fares and contracts—is 53%—which is very good for a public transit system of this size. In fact, of the total budget of "the Bus" only 12% (\$26,000) comes directly from local assessments to participating communities.

The system continues to operate six days a week from 7:00 A.M. to 6:00 P.M. Service to the general public is provided each half-hour from Rutland Plaza to points in Rutland City and Rutland Town; Proctor and West Rutland are served three times daily. During the winter months a "the bus" goes to Pico six times each day Monday through Sunday. Special buses and vans also serve the clients of various human services agencies and schools in the Rutland Region. With its own maintenance and garage facilities, "the bus" is able to keep vehicles in operation in all kinds of weather and with very few interruptions of service.

Route maps and schedules can be obtained by calling The Bus Company, Inc. at 773-3244, at your town clerk's office, local banks and stores, or by contacting your community's representative to the Board of Commissioners. Your Commissioner will also get answers to any questions you have.

During the coming year, The Bus Company, Inc. plans to expand its services to other communities in the Region. As gasoline becomes more and more expensive and the cost of owning an automobile continues to increase, the service provided by The Bus Company, Inc. will prove to be a real benefit to people in the region who need transportation to get to and from work, shopping, health care, human service agencies and social gatherings.

BENNINGTON—RUTLAND OPPORTUNITY COUNCIL, INC. REPORT FOR 1980

The Bennington Rutland Opportunity Council offers a wide range of programs with advocacy, counseling, self-help and community participation as the means of presenting alternative opportunities to people in order that they may achieve their personal goals.
